Item # 54. All landscape works must be installed and established by a suitably qualified person (Landscape, Horticulturalist or equivalent) that ensures healthy, sustained and vigorous plant growth. Where required plant material should be replaced or enhanced to ensure growth to full form and coverage of all dedicated landscape areas. Landscape planting is to be retained and maintained for the life of the development in accordance with the conditions of this Development Approval

Notes:

. KMR Landscaping Australia is currently engaged for the past few years to attend to the current landscape maintenance within this development. Through trial & error of difference species, it can now be established as to what species will thrive in this location, hence the planting schedule that has been derived to achieve the best possible outcome

. Extensive landscape works have previously now been completed inside the existing fence line to the East / South / West ✓ (including extensive landscaping in & around the Caretakers Cottage to the North.
