This plan is prepared from existing survey records for the purpose of a Reconfiguration of a Lot Application, and should not be used for any other purpose.

The title boundaries shown hereon were not marked at the time of survey and have been determined by plan dimensions only and not by field measurement, with an anticipated positional accuracy of +/- 10m approx, due to the age and accuracy of the original survey plans.

Dimensions & Areas are approximate only and are subject to survey.

Services have not been investigated.

This note is an integral part of this plan.
